### Verse 2

I need a change, a good long vacation  
 Away from here and then I'll arrange to  
 Forget about love  
 Somewhere new, blame it on my heart  
 Somewhere new and then I can start to  
 Forget about love

### Chorus

Next time  
 I won't forget  
 I will be sure

### Bridge

But it's a fire...

### Verse 3

One more time, oh no never  
 A promise to myself  
 And next time I'd better just  
 Forget about love  
 So come on friends won't you say something please  
 If you see me bend or weak in the knees  
 Say "Forget about love"

Forget about love  
 forget about love  
 Enough is enough  
 Say forget about love
