Intro

Verse 1

Now I guess it's time we're going to have to see
I'm ready for you, I bet You're not ready for me
I've been away a long time, I couldn't handle this scene
I only return to wipe the past clean
Because I'm ashamed of myself and for some of what I've done
But it's hard to know the truth, especially when you're young
Especially when you're young

Chorus

And it's hey ho, hi-dy ho
I can Always do the stomp at a freak show
But maybe I'd just like to let it go

Verse 2

Please don't tell me that you never lie
I see shadows creep you could not disguise
I'm not coming back to make them pay
But the things I've got inside yes, they need to hear me say
Because if I didn't say it they'd never know
I'm a sentient creature and not a piece for their freak show
I'm not a piece for their freak show

Chorus

Verse 3

Looky, looky here what you've gone and done
I've spent long years trying to get this knot undone
Crazy aunt, and uncles. Mom and Dad too
What the hell do you think me and my sister are supposed to do?
When you're young it's hard to say "leave us alone."
I don't want to play, I don't want to be in your freak show
I don't want to be in your freak show
