Verse 2

But maybe you won't see it
 Or believe that he is true
 I know just how you think, love
 I remember me and you
 But perhaps now fortune's falling
 At last them on the side
 And you said that you were lonely
 Perhaps now it's the time
 Oh he's devoted
 I remember that emotion

Verse 3

What's wrong with passion?
 And never mind the chains
 Forget about your losses
 You said it's time to change
 Will you listen when I tell you
 I believe his aim is true
 Then believe it is my wish, love
 Cause I remember me and you
 Oh, he's devoted
 I remember that emotion
