

9 [Verse] Just grab a horse, I'll go get mine Not much that's left to do

Verse

12 but just get on and ride and somebody's coming and we haven't much

G7M/A# Em Em/II

15 time [to Verse 2] [Chorus] So much trouble,

G G/II

18 for me and you

21 So much trouble, but it's almost through

The hiss and a whine and an ugly slap I know bullets got my name

39

But thirteen steps and a hanging tree's not gonna be my fate Ride hard

43

It was all for the love of you Dear I swore I'd try and change But I warned you once I'm a jealous man and it's a part of myself I hate

47

[Chorus] But ride hard
G G/II

51

Verse 2

It's such a bloody mess
 But what was I to do
 It's true he was a friend of mine
 But he wouldn't let go of you
 And jealousy's a poison
 As we ride cry

Chorus

So much trouble, for me and you
 So much trouble, but it's almost through

Verse 3

Long as I remember, it's always been this way
 just when I get a foot on the ground
 it ends up next to a grave
 And yes there's a poster
 A dollar sign and my face

Verse 4

Now I'm burning up the leather
Another man shot down
But just as long as it's not me
I'll find another town
And I don't mind the running
I just hope not too late

Chorus

Someone's coming, for me and you
But ride hard and we might get through

Verse 5

The hiss and a whine
And an ugly slap
I know a bullet's got my
But thirteen steps and a hanging tree's
Not gonna be my fate
Ride hard
It was all for the love of you dear
I swore I'd try and change
But I warned you once
I'm a jealous man
And it's a part of myself I hate

End Chorus

But ride hard
And we might get through
Ride hard me and you
Ride hard
