Outro

Verse 2

I haven't got much time here boy  
 So I want you to listen close  
 I've got to do this while it's hot  
 And his trail is getting cold  
 Your ma's not coming back here son  
 She's lying up there on the hill  
 There's going to be a hole now in our lives  
 That time won't ever fill  
 Look after your sister son  
 This is something I have to do  
 I'm not asking your forgiveness  
 I just need you to know the truth

Verse 3

I wish I could tell you boy why she did what she did  
 For he was nothing more than a tinker  
 full of lies carelessly hid  
 And I loved that rose with all my heart  
 That's not a lie  
 Look after your sister son  
 I'm counting on you  
 For I have made myself a promise  
 And I will do what I set out to do

Chorus

I will remember always  
 And I will burn I suppose  
 For I have killed my own true love  
 My one, my texas rose

Yes, he knows I'm....

Chorus

And so I must follow  
 Now I must go  
 But I want you to remember  
 The love of our texas rose  
 And if I could I would not change it  
 A man shall reap what he sows  
 And so he will discover  
 What it means to love my texas rose
