VERSE 1

She don't know what i know
 I try to tell her but she's 12 years old and so full of life. Ohh
 What can you say? Should I scare her or lock her away?
 Of course I know better but yes it's true, I'm tempted
 Need to explain logical and clear
 Point out the danger and hope they hear and I've been trying
 It drives me crazy

The boys are waiting 2x

VERSE 2

Why can't I Dad? All my friends do
 Nothing will happen and that's the truth
 Oh please can I? Huh?
 Into boys, right on time
 Now there's secrets and the phones not mine
 And how deep their voices are
 Dads will be dads. Girls don't stay girls
 Now it's let me go Dad, I want to see the world
 And I'm ready
 It drives me crazy

The boys are waiting 3x
